W. C. T. U. Notes.

Woman's Christian Temperance Union meets Wednesday, 5 o'clock, p. m., in the chapel of the Christian Church.

The notes intended for the Roundabout last Saturday were lost on the way to the office. The fact was unknown to the writer until it was too late to prepare them again.

The "Scientific Temperance Education Bill," has passed both houses of Congress, has been signed by the President, and is now a law. It requires that the entire animal and other narcotics, poisons or the system be taught in all schools under control of the Government. The passage of the bill was a great victory for the W. C. T. U., as it was accomplished by the indefatigable efforts of our own Mrs. M. H. Hunt, National Sup't of Scientific Instruction, who remained in Washington until it was law.

Wednesday, June 6th, being "Flower Mission Day," Mrs. W. H. Munnell, and Mrs. A. Clark came up from Louisville and "visited the Penitentiary, assisted by Rev. Mr. Kavanaugh, several members of Frankfort W. C. T. U., and teachers of other Sunday schools. The chapel had been beautifully decorated for the occasion by the inmates, and their faces told, that to them it was a "Red Letter Day." The service began with singing "Jesus, Lover of my soul" prayer by the Chaplain, history of the "Flower Mission" read, and a short talk prepared by Miss Jennie Cassidy, a short but beautiful and appropriate talk by Mrs. Clark, who finished her address by repeating the Lord's prayer, in which all the prisoners joined. Serviced in the chapel closed with "Praise God from Whom all blessings flow." After that the female department and hospital were visited, and a bouquet of fine tea card attached to each one. With the simple gift, went an earnest prayer that God's word printed on the little cards might find its way to the heart of the recipient.

Men and women, white and black, gathered about the ladies to inquire after and send loving messages to their friends. Miss Jennie Cassidy, who from her sick bed was at that hour making intercession at the Throne of Grace for them.

Resolutions

Of the Ladies' Aid Society of Providence Church, Franklin County, Ky., on the death of Mrs. W. J. Williams.

With sad hearts and tearful eyes we meet to pay a tribute of respect and love to our sister, Mrs. W. J. Williams, who was the president of this society. It would be difficult to find one who combined so many traits of a good and charitable woman as did Mrs. Williams.

Her life, though short, was filled with deeds of kindness and love, and her sympathetic spirit won the hearts of all who knew her. To us her death may seem untimely, but God who gave her life and supported her in life, is too wise to err.

When with bleeding hearts we view her grave, we are comforted to think, comes to us, "She is now dead but sleepeth,"—only the frail body lies here, the spirit has entered into that rest which remains for the people of God, and to-day sings with the redeemed around the throne, "Glory, glory to God."

Whereas, our beloved sister has been called from our midst by an all-wise God, in the flesh, we have resolved to pay to the will of God and accept this bereavement as the dispensation of a kind and merciful Father.

2. That we cherish i.e. memory and follow her example, and that her name in this society remain unoccupied for six months.

3. That we tender to her husband, our beloved pastor, and her bereaved family our heart-felt sympathy and love, and pray God to afford them abundant consolation.

4. That these resolutions be placed upon our minutes and a copy furnished to her husband and family.

By order of the society, May 31, 1886.

MARY P. LEWIS,

Republican Meeting.

FRANKFORT, KY., June 7th, 1886.

At a postposed meeting of the Republican State Central Committee, held at the law office of Judge W. H. Sneed, Capt. Ed. M. Drane, the chairman of the Franklin County Republican Committee called the meeting to order and requested Major Thos. J. Hutchison to act as secretary. Capt. Drane then stated the object of the meeting to be the nomination of candidates for the office to which we are called to what we are for the sake of interest of the party, would it be better to allow each candidate to announce himself as the Republican candidate for the office he desired?

Mr. Henry Gayle moved that this convention do now proceed to nominate candidates for the county offices to be filled at the August election. Carried.

The chair then declared nominations in order, when the following ticket was unanimously selected:

For County Judge, V. Barber; Circuit Clerk, Junie Todd; County Clerk, A. B. Hammond; Sheriff, Major Scofield; Assessors, David Dalton, George Clegg, George Morrison, and Eli McDaniel; County School Superintendent, Lemuel Wentworth; Surveyor, Capt. Jo. H. Bailey; County Attorney, Isaac T. West.

Every precinct in the county was represented by an intelligent set of gentlemen, and it is to be hoped that the Republicans of Franklin county will stand in each election, make a stand front and front to elect our men. A long pull, a strong pull, and let us pull all together to secure success.

ED. M. DRANE,
Treas. J. HUTCHISON, Chrm'n.

Louisville Tobacco Market.

FURNISHED BY GLOVER & DURRITT, PROPRIETORS LOUISVILLE TOBACCO WAREHOUSE.

The sales on our market for the week just closed amounted to 247,000 lbs. There has been a little more feeling on all grades of Burley tobacco, but no material improvement. It now looks as if there will be no material change in the market until it is ascertained what the planting of the new crop will be. Sales on our market are still slow, but we have sold 78,000 lbs. Our market now shows a stock of 24,000 lbs, which includes both Burley and Dark tobacco, sold and unsold. The following quotations represent our market for new Burley tobacco:

Dark Trash \$2.75 to \$3.50

Common Trash 4.00 to 4.50

Colored Lng, not color. 4.00 to 4.50

Colored Lng. 5.00 to 7.50

Common Leaf, not color. 5.50 to 8.00

Good Leaf 8.50 to 12.00

Fine Leaf 13.00 to 15.00

Select Wrapping Tobacco. 18.00 to 20.00

The Verdict Unanimous.

W. D. Sult, Druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters for every kind of rheumatism. Every bottle sold has given relief in every case. One man took six bottles and was relieved of rheumatism of 10 years' standing." Abraham Hare, Druggist, Bellevue, Ohio, affirms: "The best selling medicine I have ever handled in my 20 years' experience is Electric Bitters." Thousands of others confirm this testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the liver, kidneys or Blood. Only a half-dollar a bottle at Jas. Leconte's drug store,

have been using Tongaline upon a patient who has been suffering with neuralgia for fifteen years; the effect was remarkable. It gave immediate relief.

R. T. CONALEY, M. D.
Mountain Fork, Ark.

Most Remarkable Case.

During the summer of 1884 I suffered from bad pain in the right shoulder, a pin-shot wind received during the "late unpleasantness," my attention was called to the remedy of S. S. through the public press, and I wrote to the proprietors of that medicine, describing my case, which I repeat for the benefit of other sufferers. The ball struck the elbow joint, and went into the shoulder. It completely dislocated all the articulative surface of the humerus so that both condyles and say four inches of the shaft of the bone were removed by the surgeon. It also severed the ulnar nerve. The operation left the arm much shortened and thinner, but it was very useful. Some time in the fall the arm began to swell and throb below the elbow, and after it suppitated and discharged horribly offensive matter. The bone spread until the entire forearm was a putrid mass, encroaching both on the back and palm of the hand. I was warned by the surgeons that this might happen in after life from nerve and blood vessels being injured at the time. The wound was so offensive that I could hardly remain in a close room. I tried many remedies, external and internal, but with no avail. In June, 1884, I saw the advertisement of Swift's Specific in the city papers and I wrote immediately to the house in Atlanta, asking for the following as a reply: "We find our S. S. will do you good, except as a tonic." The very frankness of the reply induced me to try it. I was a good patient and rigidly followed the directions. The first bottle nearly drove me crazy with symptoms I cannot describe, but it (and I feel a lump in my throat as I write) is a tonic. The right shoulder is now in perfect condition, and I have not had a relapse since. The skin is very sensitive and sore, but not until the middle of 1884 that it was entirely well. All redness and soreness has disappeared. Hair is growing on the arm as before and I ascribe all this to Swift's Specific. Had I dreamed of such success I would have had the arm photographed before taking the medicine, then I might see the improvement. I have lived here for forty years, and am well known, and am ready to answer all inquiries from sufferers in regard to this case.

FRANKFORT ROUNDABOUT.

Entered at the post-office at Frankfort, Kentucky, as second class mail matter.

GEORGE A. LEWIS,
Editor and Publisher.

FRANKFORT, JUNE 12, 1886.

Rev. W. F. Smith, of this county, was one of the graduates from the Bible College of the University at Lexington Tuesday.

The desirable residence of Dr. Blackburn, at South end of Logan street in South Frankfort, is for rent. Apply to Frank Chinn, for terms.

The State Board of Equalization of Taxes met in the Senate Chamber Thursday and adjourned until July 6, to allow the assessors time to file their books.

The Frankfort Economic Heating Company organized on Saturday last, and secured enough subscriptions of stock to begin work at once. They propose to purchase the necessary machinery, and begin sinking a gas well in a few days.

Mr. Polk Tracy, of Pea Ridge, killed Tuesday morning, a hawk as large as a turkey. It measured four feet from tip to tip, and its feet measured five inches from the point of the hind talon to the point of the middle one. It was large enough to carry off a goose.

Mrs. Minerva Bosworth, mother of Mrs. Mary L. Todd, of Belle Point, and Mr. Joseph Cox, of this city, died suddenly Tuesday morning, at Lake Park, the home of Mrs. Todd, aged 80 years. She had taken a deep cold some time since and on arising from her bed on that morning was taken with a terrible fit of coughing which ruptured a blood vessel and caused death in a few moments. She was an old resident of Lexington, but of late years has made her home alternately with her son in that city and Mrs. Todd. The remains were taken to Lexington Wednesday for interment.

The residence of Mrs. Mildred Thompson, near Spring Station, Woodford county, together with all the furniture and clothing of the family, was destroyed by fire on Friday night of last week, the family barely escaping with their lives. The fire occurred about 12 o'clock and is supposed to have originated from the kitchen fireplace. The house was insured for \$2,000 and the furniture for \$500.

Miss Eliza Thompson, who was in an upper room, was compelled to get out on the roof of the portico and jump from there to the ground in order to escape, and in the decent she fell upon and injured her back very badly, but we are glad to hear is able to go about.

John Henderson Dead.

Mr. John Henderson, an old and highly respected citizen of this city, died at his home, corner High and Clinton streets, Sunday afternoon after a painful illness of several weeks, aged 80 years. He was born near Monterey, in Owen county, and in early life was a river man, running to New Orleans both on keel boats and steamers. After leaving the river he came to this city and established a dry line, with which he did the principal portion of hauling in the city for a number of years. He was a man of powerful strength and exposed himself a great deal, which resulted in a protracted illness some ten or twelve years ago, which left him with a stiff limb and compelled him to ride about in the pursuit of his business. He was a kind-hearted honest man, and had a host of friends in this community, where he had lived so long. His funeral took place Monday afternoon from his late residence.

The Democratic Primary Election held last Saturday in the Common Pleas District, composed of this county, Woodford, Fayette, Jessamine, Scott and Grant counties, resulted in the nomination of H. M. Buford, of Lexington, over H. C. McLeod, of Woodford. Buford carried Fayette, Scott, Jessamine and Grant, and McLeod this county and Woodford. Buford's majority was 2,838. The Democratic District Committee met in Lexington Wednesday to count the

vote when the following was found to be the result:

COUNTY.	BUFORD.	MCLEOD.	MAJOR.	DRANE.
Fayette.	3,635	94		
Jessamine.	261	161		
Scott.	15	51	31	18
Grant.	23	63	68	67
Woodford.	64	66		
Total.	4,986	1,168	94	85

The vote of this county was not reported but was as follows:

COURT HOUSE.	MCLEOD.	BUFORD.
Court House	214	72
Market House	68	44
Gas House	324	36
Bidgeman	53	8
Chick Run	54	2
Bloomington	7	1
Bald Knob	33	2
Flat Creek	21	1
Forks of Elkhorn	37	4
Benson	14	1
Peak's Mill	29	5
Total	849	171

Mr. McLeod's majority, 678

Mr. McLeod entered a protest against Buford being declared the nominee, on account of frauds committed in the city of Lexington, but the committee decided him the candidate all the same.

FRANKFORT ROUNDABOUT.

FRANKFORT, JUNE 12, 1886.

There will be a service of song at the First Presbyterian Church Sunday evening, June 20th, at 8 o'clock.

Go to Joe Bohannan's, on Lewis street, for awnings and wire window and door screens.

Rev. George Darsle delivered the annual address at Harris Institute, at Mt. Sterling last week.

The regular services will be held at the Southern Presbyterian Church tomorrow morning at 11 o'clock by the pastor, Rev. R. E. Caldwell.

A whisker dye must be convenient to use to easy to apply, impossible to rub off, elegant in appearance, and cheap in price. Buckingham's Dye for the Whiskers combines in itself all these merits. Try it.

Rev. G. F. Bagby, pastor of the Baptist Church, will preach at the 1st Presbyterian Church Sabbath morning at 11 o'clock. Preaching in the evening by the pastor.

Rev. George Darsle will leave Monday to attend the commencement exercises at Bethany College, West Virginia, and will go thence to Western Pennsylvania, to visit relatives. He will be absent two weeks.

The ladies of the Baptist Church will give a supper for the benefit of the improvement fund of their Church in about two weeks, as the repairs upon the Church building will then be far enough advanced to enable them to use it for the purpose.

At the sale of Col. S. I. M. Major's personalty on Thursday, prices for household goods were exceedingly low. His library, which is one of the finest in the west, and cost him \$25,000, was purchased by Mr. A. J. Alexander, of Spring Station, Woodford county, for \$8,000.

There is nothing like a primary election to bring out the vote, it is shown by the primaries held in this and other counties in this State recently. At the primary held in Montgomery county some two weeks since, out of a Democratic voting population of about 1,400 over 2,700 votes were cast; in this county, with a Democratic vote of about 1,900, 2,764 votes were polled on the 4th of April, and in Fayette county last Saturday, with a Democratic vote of about 2,500, 3,729 votes were cast. Nothing amuses the boys so much as a primary. A circus isn't a circumstance.

The closing concert of Prof. Wayland Graham's music scholars took place at the Opera House Tuesday evening, and was a decided success, a large audience being in attendance. The music was exceedingly fine, especially the singing of the Frankfort Maenchor. The pupils all acquitted themselves well and reflected great credit upon their instructor. Gold medals were presented by Prof. Graham, after the close of the performance, to Miss Katie Freeman, Woodford county, of the senior class, and Miss Mary Campbell Sawyer, this city, of the junior class, for having made the greatest progress during the year. They were handsomely engraved by Mr. Philip Behr, the St. Clair street jeweler, and were very beautiful.

Mr. John P. Starks, of the great White Hall Clothing House, in this city, is in New York attending the largest underwriters sale of clothing ever held in the United States, and yesterday morning Mr. D. C. Crutcher received the following telegram from him:

NEW YORK, June 10, 1886.
D. C. CRUTCHER, Frankfort, Ky.
Bought six thousand to-day. Sale continues to-morrow. Great bargains, JNO. P. STARKS.

So in the next ten days the enterprising firm of Messrs. Crutcher & Starks will receive \$15,000 worth of clothing which cost them only 25 cents on the dollar, and will be enabled to offer our citizens the greatest bargains in clothing ever brought to this city, and it will pay anyone needing clothing to wait a week and then go and examine their immense stock.

The Blue Wing excursion party leaves the city wharf at 10 o'clock Sunday morning for Tyrone and Oregon, round trip rates 50 and 35 cents.

The place of sale will be Mr. Patrick Russell's News Depot on St. Clair street, near the Branch Bank, instead of at the Singer Sewing Machine Co.'s office, as heretofore. Hours of sale are from 11 o'clock, a. m., to 6 o'clock, p. m., every Saturday.

Mr. Henry Gulian has been on the sick list for a short while.

Mr. G. ——, of Stedmanville, has a new route now on Sunday afternoon.

The recent rains have done considerable damage to small grain.

Mr. W. M. Wilkerson and wife, of Scott, are down visiting their daughter, Mrs. Loyd Featherston.

Mrs. Effie and Lida Stedman, Bettie Jones and Katie Cannon spent last Monday with Mrs. Sarah Featherston.

Miss Jennie Featherston, Jennie Scott and Jenny Goddard returned home yesterday from Georgetown College.

Mr. S. Black sold last week a two year old Pretender filly, Lena Peppermint, to Mr. S. M. Neal, of Shelbyville, for \$600.

Mr. Sarah Featherston and son, Mr. M. F. Featherston, attended the commencement last Thursday and returned home Friday.

Madame Rumor is always saying something. This time it is a very grave thing. She speaks of a weddin in the vicinity of Stedmanville.

Many thanks to Messrs. J. W. Jones, Tom Wilkerson and South Trimble for subscribing to the ROUNDABOUT. Nothing like a good thing always on hand.

Mr. Wash Allen, wife and daughter, Miss Maggie, of Shelby county, came up yesterday to visit friends and relatives. They will probably return to-day.

The poor fellow spoken of in our last issue with his immense stock of writing material says he has ordered his wedding suit. Nothing like plenty of material.

It is hoped that every officer and teacher will be present at the Teacher's Meeting of the First M. E. Union Sunday school next Thursday evening, June 17, at Sister Sarah Featherston's.

The following program has been arranged for the Teacher's Mission Meeting to be held at Sister Sarah Featherston's next Thursday evening, at 8 o'clock:
